Re: The "Conquering Hero" Lane

Dear Sir/Madam

On behalf of Council I wrote to you on 20th April concerning the above and forwarded it to you via the e-mail address Your.Voice@Denbighshire.gov.uk. Council requested an acknowledgement that you had received their letter and an early response that County will take the concerns seriously and plan for positive action in the near future.

Please acknowledge that you have received Council's request so that I can assure them, and the concerned members of the Bryneglwys community, of your attention to this matter.

Regards

David Rose
Clerk & RFO

In the interests of transparency this letter is published to Council's website for all interested parties to view.
